(2) Each LEA, and to the extent applicable, each public charter school, shall coordinate with its district-wide school safety team and building-level school safety team to incorporate the procedure developed pursuant to this subsection (e) in its district-wide school safety plan and building-level school safety plan.

(3) Each procedure developed pursuant to this subsection (e) must be implemented no later than January 1, 2024, and must be annually reviewed and updated, if necessary, to ensure the procedure reflects best practices for the safety of students and school staff, including substitute teachers and other part-time staff and school volunteers.
